Company History and Milestones

Hebron's first business project was a coffee shop with a distribution store at the heart of Padova, Italy and an online sales point for the retail sales of capsuled coffees.

Then Mr.Tsegabe Eilu with the rest of his family members decided to found a company called Hebron Ethiopia
Trading P.L.C and launch an integrated coffee business projects in Yirgalem Integrated Agro-Industrial park located in Sidama region, Ethiopia.

Hebron

After a while this business was expanded from retail only into production and retail of capsuled coffees. The production was housed in 600m2 rented facility that was located on the outskirt of Padova.

To bring "The Value Addition Hub" title for Ethiopia in addition to it's "Coffee Origin" title by becoming globally competitive in coffee & related products and services."

- Suppling quality Coffee Products
 & Services through multiple
